

K-Love Radio is the main radio station me and my family listen to. It has positive messages and I don't have to worry about ANYTHING my children hear on K-Love. I believe if K-Love were to be displaced by other programming it would have a terrible effect on the community as it is listened to by MANY people. I believe the service provided by K-Love is in the public's interest because of the clean and clear messages and music it provides.
